GENERAL

What do you hope to gain from your Leadership Sumner experience?

Participants are required to attend each class throughout the Program. However, you will be allowed to miss one full session. Outside of scheduled sessions, the Program also requires a time commitment. Absenteeism will result in your being unable to participate in graduation with your class. In order to be able to graduate with the next year's class, you will be required to make up the class missed the following year or you will be dropped. If you are unable to make this commitment, it is not in your best interest to apply at this time. Wireless phones and beepers are not permitted.

Are you and your employer, (if applicable,) prepared to make this September – July commitment? _____

Please accept my application for Leadership Sumner. I understand the commitments of the program. If selected, I will fulfill the attendance commitment and pay the tuition upon acceptance.
