## 3. Essay Question

11. From your perspective, what do you consider the two most pressing problems/issues facing Sumner County? Please provide an explanation of why and recommend solutions/alternatives for approaching and resolving and/or overcoming these problems/issues.

Participants are required to attend each class throughout the Program. However, you will be allowed to miss one full session. Outside of the scheduled sessions, the Program also requires a time commitment. Absenteeism will result in your being unable to graduate with your LSY Class. In order to be able to graduate with the next year's class, you will be required to make up the class missed the following year.

By submitting this application, you are confirming that you understand the commitments of the program and that, if selected, you will fulfill the attendance commitment.

Please email a letter of recommendation from a teacher or guidance counselor to Van Hohe, LSY Program Director, at [muzzbuzz@aol.com](mailto:muzzbuzz@aol.com)

Please have your parent/guardian email permission for you to participate in the LSY Program, as well.

You may also mail the completed application and/or letter to:
